

Professional Pre-Natal Formula

A full spectrum vitamin and mineral product formulated specially for women. Professional Pre-Natal formula supplies all of the vitamin and mineral requirements on dosage levels that maximize nutritional support to optimize body balance. Marilyn M. Shannon the author of the recently released book (2nd edition) "Fertility Cycles and Nutrition" recommends this product by brand name in her book to:

- Women who desire to become pregnant but experience irregular menstrual cycles.
- Women who are pregnant.
- Women who are breast feeding.
- Women who need supplementation to overcome anemia and fatigue.

Marilyn M. Shannon's book accurately represents the findings of extensive research relating to the nutritional supplementation needs of women. You can purchase her book at your favorite health food store.
